

PIKES PEAK PREP ACADEMIC CALENDAR 2009-2010

The 2009-2010 Pikes Peak Prep school year has been specifically designed to improve student achievement. Our school board adopted an extended calendar designed to minimize loss of student learning over a long summer. The periodic breaks keep students and teachers motivated and refreshed, helping to minimize student and teacher burn out. Students need less reteaching and review, therefore learn new curriculum, resulting in more vertical growth.
