

# WASH STATE FOOTBALL

Welcome to the coach's corner. Here you will get the best news about 21<sup>st</sup> Century athletics.

This year we have many first to report on 21<sup>st</sup> Century athletics. This September we became members of the Indiana High School Athletic Association. We will be able to compete in the state tournament in the 2011- 2012 season.

We began our first season as IHSAA members with cross country. We had a competitive season with two victories. Jacori Howard and Lewis Brown lead the way for the cougars. Our middle school girls and boys finished 3<sup>rd</sup> in the Gary city meet.

Now we are moving forward with our basketball season. Our middle school girls opened their season November 12 with a victory over Gary Lighthouse Academy, the score was 13-9. This was another first for 21<sup>st</sup> Century Charter School. This

was the first girl's middle school victory in the history of our school. In the second game our boys defeated Lighthouse 43-31. Sharrod Williams lead the way for the cougars with 31 points. The boys will host East Chicago Urban Enterprise Academy on Thursday November 19, 2009 at 4:30. Our girl's next contest will be the Gary Tip Off at Westside high school. The time is 2:00 pm. Here all our teams will showcase their talent. The middle school boys will play at 2:30 and our high school boys will tip off at 6:00 pm.

Below you can view full schedules of Cougars basketball season.

Come out and support our Cougars in our first season as members of the Indiana High School Athletic Association.

THANK YOU

Coach Haskins
