MISSION 200!

Last year Mr. Gaines 5th grade class was the first in 21st Century Charter School history to score 100% on the math ISTEP.

Most of the stellar students have returned and are now members of the Dynamic 6th Grade Geniuses. This year we have set a goal of attaining 100% on both the Math and Language Arts portions.

Vision 2020 Pledge

I pledge allegiance to my success.

I pledge to develop my mind and body to the greatest extent possible.

I will learn all that I can in order to give my best to myself, my family and my community.

I will keep myself physically fit, building a strong body, free from drugs and other substances which weaken me and make me less capable of protecting myself, my family and my community.

I will relentlessly pursue knowledge and understanding in order to bring about positive change in the classroom and in my attitude more quickly.

I will discipline myself to direct my energies thoughtfully and constructively, rather than wasting them in useless and unproductive activities, such as TV or Radio when I can and should be, either studying or attempting to better myself.

I will train myself to be the best I can be at all times, both academically and socially.

I will practice daily, the use of kind words, courteous actions and self-respect.

I will love myself and everyone around me and I will show this by behaving appropriately and trying my hardest at all times.

These principles I pledge to practice daily and allow them to become my character because I am and will forever be a success.

FAILURE IS NOT AND NEVER WAS AN OPTION!
I CAN, I MUST AND I WILL...
BECAUSE I AM SOMEBODY AND I WILL SUCCEED!!!
